

STEWARDSHIP 2017

Όλοι
μαζί!

How do we support the Church?

We support this church through the fair and equitable sharing of our time, talents, and treasures. If each of us gives in proportion to God's blessings upon us, our church will continue to flourish. We ask that you pray about this most important decision and complete both forms, the Stewardship Registration FORM 1 and the Treasure Form 2.

How much should I give?

Before you answer this question, here are some facts.

- Expenses for our church for 2015; \$238,917.00
- Net Income for our church for 2015; - \$ 49,160.00 (negative balance)
- Total Stewardship Commitment for 2015; \$ 53,872.00
- The amount paid from church stewards did not even cover half of our costs in 2015.
- Average Stewardship payment in 2016 is \$240.
- In order to invest in our church property and build for the future, we must raise 50% or more to cover our daily expenses. **Because of this our goal is raising at least \$120,000 through Stewardship 2017.**

How can we do this?

The Lord has blessed many of us in our lives. The answer to this question is simple; 1. give more or 2. increase the number of paid stewards. Remember the difference between our mailing list of 289 addresses and our most recent paid Stewardship list? 158 people? **Our Goal is to have over 250 paid Stewards in 2017**, please support and help Kimisis of Poughkeepsie become the best in the Hudson Valley.

Is there a discount?

People's circumstances are different and we are glad you are a part of this parish. Your stewardship is valued because it is made out for your love for God and His Church. **Use the "Other Amount" for any hardship.**

My / Our Commitment of Treasure

I understand that my financial commitment is to be completed by December 31st and the monthly amounts listed reflect a pledge made as of January each year. Please make every attempt to increase your commitment from the prior year.
